

The **ForeverFresh** family appreciates the opportunity to provide you a product that benefits both women as well as men.

In my personal experience of being the primary caregiver for my great grand-mother for seven years, using **ForeverFresh** greatly enhanced her quality of life — and knowing that I was able to give her that small comfort gave me the inspiration and faith to pursue my entrepreneurial goal and bring **ForeverFresh** to the consumer market.

& CONVENIENCE

**ForeverFresh**

ForeverFresh designs and manufactures a product that is increasingly essential: **disposable undergarments**.

**FEATURES:**

- **ForeverFresh** disposable undergarments are made of a nonwoven material that is environmentally friendly and hypoallergenic.
- **ForeverFresh** allows the skin to “breathe” as naturally and comfortable as cotton garments.
- **ForeverFresh** features a built-in incontinent pad “pocket” to be used when extra absorbency is needed.
- **ForeverFresh** is a convenience that does not tax the budget or the economy.
